USAV age is, by definition, the age of the athlete on JULY 1ST OF 2025.

Grade is not the primary determinant of USAV age eligibility, however, we include grade and HS grad year in this chart as a point of reference.

NOTES

Athletes are not allowed to 'play down' [i.e. play an age level lower than indicated above, regardless of grade].

Generally speaking, STING looks to keep athletes in the "peer group" (i.e. grade level) when possible with few exceptions. [i.e. we do not consider a USAV age level 13 who is in 8th grade to be "playing up" if they play 14s]. High school athletes grades 10 or higher considering playing up should contact STING in advance of tryouts as it may be appropriate to meet with our directors.

Playing Up" - with few exceptions STING does not have athletes who 'play up' [i.e. a USAV 13s in 7th grade playing 14s].
